# Estimated global TB incidence rates 1990–2006

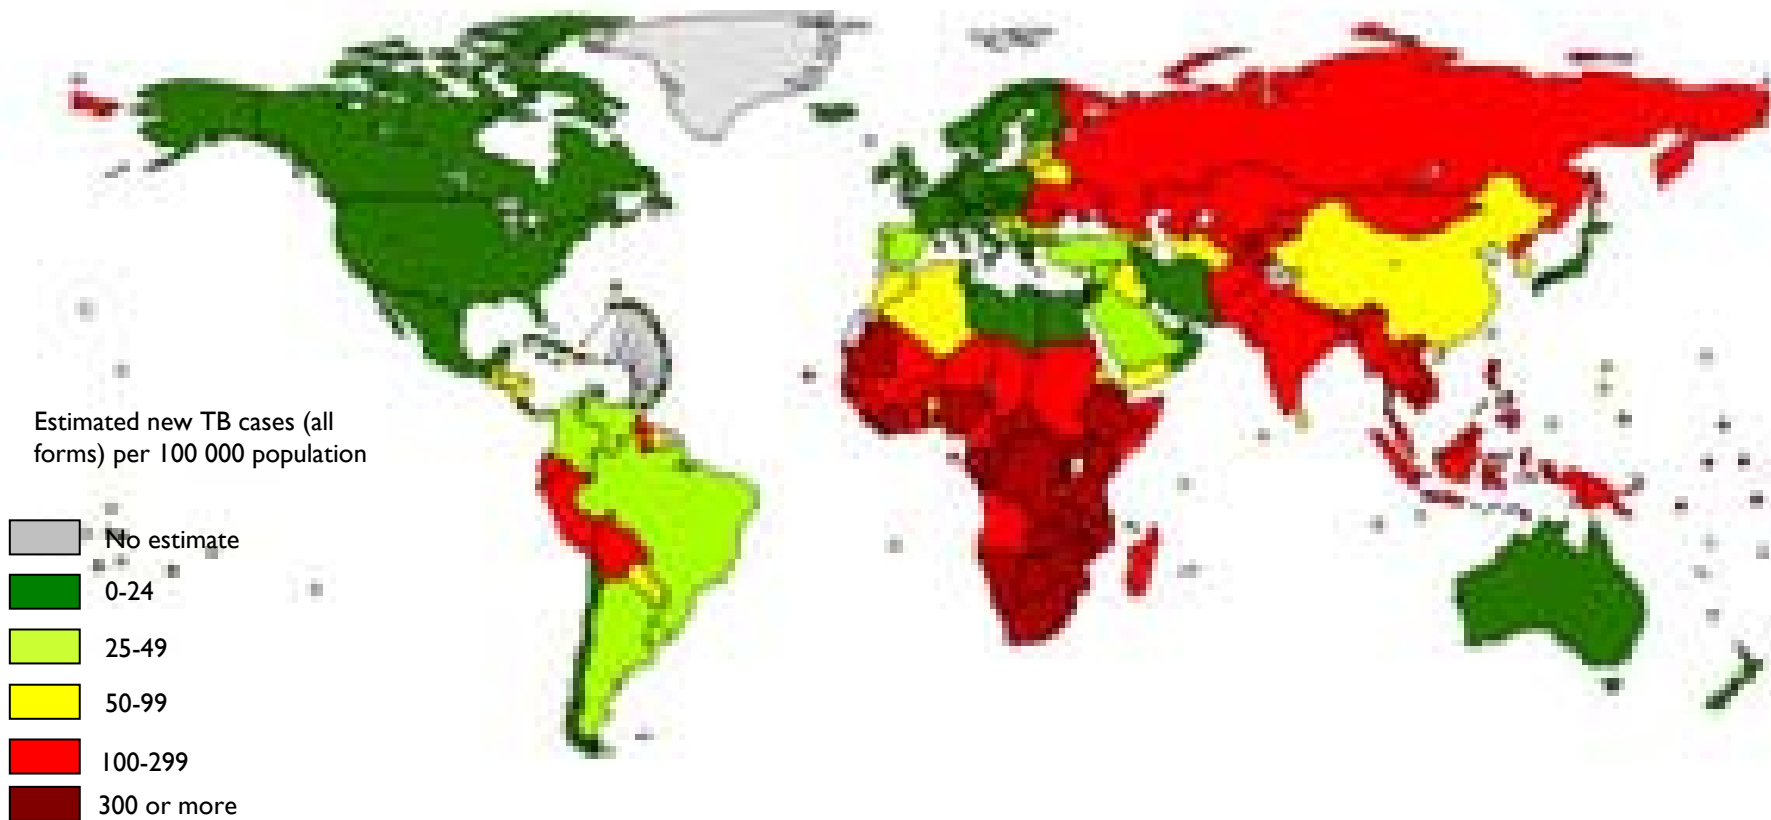

Incidence

# Trends in estimated TB incidence rates (all forms, purple lines), and the annual change in incidence rates (red lines), for nine subregions and the world, 1990–2006

# Estimated TB incidence rate, 2006

The boundaries and names shown and the designations used on this map do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.
