## Welcome Message

It is with great pleasure that we invite you to join us at the “3<sup>rd</sup> Guangdong, Hong Kong and Macao Paediatric Respiriology Forum (第三屆粵港澳兒科呼吸論壇)” cum “19<sup>th</sup> HKSPRA Annual Scientific Meeting (第十九屆香港兒童呼吸及過敏學會周年學術會議)” which will be held on 19 – 20 November 2016 in Hong Kong. In addition, the “Paediatric Bronchoscopy Course 2016” will be held on 16 – 18 November 2016. The meeting will provide a strong scientific programme, enjoyable social activities, and as importantly an opportunity to exchange ideas with your peers.

The organizing committee has organized a most comprehensive and exciting programme that will be interesting and relevant to specialist, general practitioners and allied-health professionals alike. The programme addresses scientific and clinical topics in allergy, critical care, pulmonology and sleep medicine. Our international and regional speakers represent the forefront of practice in their special interests, and will update you on the best current practice.

The organizing committee is working very hard to put together a truly memorable meeting in November. We look forward to warmly welcoming every delegate in the cool Autumn. Your attendance will no doubt prove to be a valuable and enjoyable experience.
